IDENTIFICATION OF SUBSTANCE /PREPARATION

PRODUCT NAME: CHEMIPHASE-Acti-Solv

CHEMICAL COMPOSITION (Cas No.) ((EINECS)) [EEC No]	CONCENTRATION RANGE % Weight	LABELLING INFORMATION CLASSIFICATION SYMBOL R S
Propan-2-ol Non hazardous components: Neutralised fatty acid, Di-basic oxygenated solvent, viscosity modifier, non-ionic detergent.	1-5%	Non hazardous S2

4 Hazard ID EFFECTS OF OVER EXPOSURE WHEN:

In Contact With Skin

In Contact With Eyes

Inhaled

Ingested

5 First Aid Measures:

Skin:	Drench the skin with plenty of soap and water. Remove contaminated clothing and wash before re-using. In severe cases, seek medical advice.
Eye Contact:	Irrigate thoroughly with water for at least 15 minutes whilst lifting the eye lids. Seek medical advice if any discomfort continues.
Inhalation:	Remove patient from exposure site, rest and keep warm. In severe cases, or recovery not rapid, seek medical attention
Ingestion:	Rinse mouth out with water. Do not induce vomiting. If patient is conscious, give water to drink. If patient feels unwell or recovery slow, seek medical advice.

6 Fire-Fighting Measures:

Fire Extinguishing Media:	None flammable use extinguishing agents suitable for the surrounding fire.
Fire Extinguishing Media not to be used:	
Unusual Fire and Explosion Hazards:	In fire conditions the product may combust.
Special Fire Fighting Procedures:	

CHEMIPHASE LIMITED

PO Box 168,
Ormskirk,
Lancashire,
L40 8JY

TELEPHONE: (+44) 01744 886622

FAX: (+44) 01744 886633

7 Accidental Release Measures:

Absorb material from ruptured or leaking cans onto inert materials. Transfer to suitable container for subsequent disposal.

8 Handling And Storage:

- General** Avoid spilling, skin and eye contact. The use of a suitable barrier cream is recommended, but not as a substitute for gloves. Use only as directed, store away from children.
- Personal** Wear gloves and goggles/face mask if required, chemical resistant gloves required for prolonged or repeated contact. Safety goggles/glasses are advised if there is a risk of eye contact. No specific ventilation required. No specific respiration recommendations made.
- Storage** Protect from frost. Store in own labelled containers between 5 and 35°C. Do not allow to freeze.

9 Exposure Controls

Gloves should be worn where operator has sensitive skin or when prolonged contact is envisaged. Avoid contact with eyes. Chemical resistant gloves required for prolonged or repeated contact. Safety goggles/glasses are advised if there is a risk of eye contact.

The provisions of the Health & Safety at Work etc. Act and the Control of Substances Hazardous to Health Regulations apply to the use of this product at work. The issue of EH40 unless otherwise indicated. Further information and advice can be found in the following publications:

The Control of Substances Hazardous to Health Regulations 1988 (SI 1988:1657)
The Environmental Protection (Duty of Care) Regulations 1992 (SI 1992:2839)

10 Physical and Chemical Properties:

Appearance:	Yellow/brown viscous liquid	Specific gravity:	1.05 +/- 0/05
Odour:		Flash Point:	N/A
pH (10% Solution):	8.5 +/-1.0	Auto Ignition Pt:	
Oxidising Properties:		Melting Pt:	
Vapour Pressure:		Explosive Properties:	
Solubility:		Relative Density:	
Other:		Can Pressure:	
		Viscosity:

TRANSPORT EMERGENCY CARD (Road)

Name of Product(s): Acti-Solv

Cargo:

Nature of Hazard: Non hazardous

Protective Devices: Where exposure is possible wear self-contained breathing apparatus.
Wear suitable gloves, goggles, PVC suit and PVC / rubber boots

Ref:	
Print Date:	13/12/17
Class & Item: Hazard No:	
U.N. No.	

EMERGENCY ACTION - Notify the Police and Fire Brigade

- * Stop the engine
No Naked Lights No Smoking
Mark roads and warn other road users
Keep public away from danger area

- Spillage**
- * Shut of leaks if without risk
Prevent liquid entering the sewers, basements and workpits
Contain leaking liquid with sand or earth; consult an expert
If substance has entered the water course or sewer or been spilt on soil or vegetation, advise police.
- Fire**
- * Extinguish preferably with foam or dry chemical
Do not use Water Jet
In the event of fire, cool tanks with water spray.
- First Aid**
- * Seek medical treatment when anyone has symptoms apparently due to inhalation, swallowing or contact with the skin or eyes.
Rinse immediately with copious amounts of water for approx. 15 minutes. Seek medical treatment when anyone has symptoms due to contact with the eyes.
Clean mouth with water and drink plenty of water. Do not induce vomiting. Obtain medical attention.
In the case of inhalation of aerosol/mist consult medical attention. Move patients to fresh air (if possible). Apply artificial respiration only if the patient is not breathing. Keep patient warm. Obtain medical attention.
Remove any contaminated clothing immediately. Wash off with soap and plenty of water. If skin irritation persists, seek medical attention. Wash contaminated clothing thoroughly before re-use.
